Inspection By Appointment

This commanding residence is more like the size of a house, than an apartment.

The generous design and quality fit out will attract the interest of the most discerning buyer.

Exclusively tucked away toward the rear of the block, the light-filled abode showcases a huge open plan living/dining, 2 spacious bedrooms with built in robes, 2 bathrooms and 2 handy car parks.

The property is blessed with an amazing courtyard/garden, complete with deck and patio, just perfect for entertaining. Combine a custom kitchen with premium appliances, euro style laundry, split system cooling/heating, video intercom and convenient public transport options.
