

16/359 Rathdowne Street CARLTON VIC

2 1 1

This awe-inspiring church was originally built in 1878 and designed by prominent colonial architect, Joseph Reed. Converted in 2002 into spectacular 2 level loft style apartments, adding sophistication and style yet still maintaining the original charm and grace, this property certainly sets the bar high.

Blessed with great natural light, the residence showcases 2 large bedrooms with built in robes, central bathroom, open plan living/dining, gourmet kitchen with stone bench tops and stainless steel appliances.

Combining beautiful church windows, powder room, polished floor boards, separate laundry, intercom, secure car park and bike storage room, this apartment sets the scene for great city living, positioned in the heart of Carlton.
