

72 Gold Street COLLINGWOOD VIC

3 1

This wider than average block fronted residence, will certainly attract some good local attention.

The impressive home features generous proportions, 3 large bedrooms, open plan living/dining, kitchen with stainless steel appliances, dishwasher, cool polished concrete floors and bathroom with a claw foot bathtub.

Showcasing handy side property walkway access, ornate features typical of the era, polished timber floors, high ceilings, split system cooling/heating and Bi-Fold doors opening up to a tranquil undercover deck and garden.

Comfortable order throughout, with scope to update and add significant value.

Prime position, close to parkland, bike trails, public transport options, restaurants, cafes, bars, art galleries and
